"There is not long left to apply to the European Union Settlement Scheme, so we want to make sure you have you completed your application."

"It is best to apply as soon as you can. Then you won't have to worry about losing access to your rights as a resident here in the United Kingdom."

"We know for some applicants the process may be more complicated, but don't put it off. Kirklees Citizens Advice and Law Centre are here to help you with your application and their services are free."

"You are not alone. Apply to the EU Settlement Scheme today or get the support you need to start your application."

"Call Kirklees Citizens Advice and Law Centre on 0344 848 7970 or fill out the form on their website." ([kcalc.org.uk/contact-us/](http://kcalc.org.uk/contact-us/))

"KCALC will call you back with a translator if necessary, it may be easier to ask someone you know to call them for you and arrange this for you. Or you can fill the online form out in your preferred language. But don't go into their office as appointments must be made over the phone."

"If you have decided to call Kirklees home, we want to make sure can you continue to live and work here."

"Search EU Settlement Scheme and apply today". ([Search EU Settlement Scheme](#))
